KEVIN MORERA

Web Developer

Costa Rica · +506 8697 0031 · kevinmorera66@gmail.com

PROFESSIONAL SUMMARY

Passionate and innovative Web Developer with strong expertise in front-end and back-end technologies. Skilled in building responsive, user-centric websites and applications. Adept at applying modern development practices to deliver scalable, efficient, and visually appealing solutions. Committed to continuous learning and professional growth.

EDUCATION

- **Universidad de Costa Rica** — Bachillerato en Informática y Tecnología Multimedia (Completed)

PROFESSIONAL EXPERIENCE

Wild Life Tours Costa Rica — Design & Graphics Developer
Second Semester 2025, Universidad de Costa Rica

- Designed and developed visual assets and graphics for tourism-focused digital platforms.
- Collaborated with multidisciplinary teams to enhance brand identity and user experience.
- Applied principles of color theory and responsive design to create engaging promotional materials.

PROJECTS

Ciclo Hidalgo Website Development — 2024

- Led the complete development of a responsive website for the educational cycle Ciclo Hidalgo.
- Designed and implemented front-end interfaces with React.js and Tailwind CSS.
- Integrated back-end functionality using PHP and REST APIs to support dynamic content.
- Optimized database management with MySQL for efficient data handling.
- Delivered a fully functional platform enhancing accessibility and user experience for students and staff.

Grove — Event Management Platform (Team Project)

- Collaborated on a team-built web platform for organizing and managing upcoming events, including calendar views, scheduling, and event detail pages.
- Focused primarily on backend development and API design using Laravel and PHP.
- Built with: *Laravel, PHP, REST API, Tailwind CSS*

Personal Portfolio Website

- Designed and built a personal developer portfolio from scratch, featuring a custom architecture-inspired interface and interactive UI elements.
- Built with: *React.js, Tailwind CSS, Vite*
